Grow With Us

To the Fundraiser,

If you would like to take advantage one of these great fund-raising opportunities this is the best time to order :

- 12” Hanging Baskets – we have a lovely selection of [mixed baskets](#) which are planted to be grown in either sun or shade. \$ 20.00 if ordered by Dec 31 2019. If ordered after Jan 1, 2020 - \$22.00 The Basket can be picked up during the month of MAY 2020 !
- \$10.00 Gift Cards which can be spent on any plant material at Country Garden Greenhouse. Your cost - \$8.00 (\$2.00 profit on each. People buy on average 5 to 8 of these cards so it is an easy profit of \$10 - \$16 per customer.)
- **Each hanging basket customer will receive a coupon worth 10% off their next purchase of plants from the Garden Centre in May and June.**

There are good reasons for purchasing these fund-raising ideas from us:

1. Customers pick up their plants from our place of business, giving them more choice, and relieving you of the burden of caring for those which aren't picked up immediately. Alternatively we can deliver them all to your school at once if that is more convenient for you.
2. By buying locally you are supporting Kamloops' local living economy, making it a better place for all of us.
3. Customers can pick up their plants in May 2020 when local climate conditions allow for it and when their gardens have been prepared.
4. We have been farming at Monte Lake and providing quality hanging baskets for school fund-raisers for 38 years and know the local conditions inside out.
5. Finally, we are close by and are ready to deal with any issues the customers may have, leaving you with minimal responsibility aside from collecting the money.

For further information on any of these fund-raising ideas please contact Dalton at 1-250-375-2241 or 250-377-0058.

The deadline for taking advantage of any of them is March 1/2020

Thank you for considering this local fund-raiser.

Dalton Strong
